FUN SHEET

EVENING SONG®

1. There are several HARMONIC INTERVALS in EVENING SONG. HARMONIC INTERVAL means "two notes played at the SAME TIME."

Write the letter names below these HARMONIC INTERVALS:

\[ \begin{array}{cccccc}
\text{3} & \text{5} & \text{2} & \text{4} & \text{1} & \text{3} \\
\end{array} \]

Play the above INTERVALS three times then once more for your teacher.

2. Look at this measure. How many E-Flats do you find? [ ]
   (1 or 3?)

3. This, "[ ]", is a PEDAL MARK. It tells you to push down the [ ] pedal with your right foot. Look at measure 16 on page 19.
   (right or left?)

4. The RIGHT PEDAL is called the [ ] pedal.
   (soft or damper?)

5. At the end of EVENING SONG you see "8va." This symbol stands for the ITALIAN word "OTTAVA." It tells you to play the note 8 keys lower than written.

   Turn to the last page of EVENING SONG and circle "8va" with your pencil.

HELPFUL TIP: EVENING SONG requires extra thinking. Think of B-flat as "BLACK KEY-3," G-flat as "BLACK KEY-1."
An ABBREVIATION FOR "BLACK KEY" will be "BK."

   DRAW A QUARTER NOTE: ________

2. Look at the TIME SIGNATURE below. With your pencil, circle every BEAT. There should be ______ circles in every measure.
   (2 or 4?)

   \[ \frac{4}{4} \] \[ \frac{4}{4} \] \[ \frac{4}{4} \] \[ \frac{4}{4} \]  

   On C, E, or G Keys, tap these rhythms with your class.
