SWINGING IN A HAMMOCK©

(To be PLAYED and SUNG as a CANON or ROUND.)

1. WHAT IS A CANON OR ROUND?

A “CANON” is a “ROUND.” That is when one MELODY begins and another person begins the same MELODY before the first melody has ended. Confusing? Not really! Have you ever sung ROW, ROW, ROW YOUR BOAT with a group? Each person (or portion of the group) sings at a different place in the song from the others. That is a CANON or ROUND.

CANONS have been popular for hundreds of years. They may have many variations - such as rhythm changes. Bach used CANONS often in his writing. The famous PACHABEL’S CANON IN D is a ROUND with the melody repeated over and over!

2. HOW TO PLAY SWINGING IN A HAMMOCK AS A CANON OR ROUND.

Divide your PIANO CLASS into TWO TEAMS. TEAM #1 begins the piece. When TEAM #1 reaches the END of measure 8, TEAM #2 starts playing the piece (at measure 1, of course!).

TEAM #1 continues playing the piece all the way through without stopping. TEAM #2 does likewise.

If you have plenty of time, play the piece through two times!
