1. Let's learn to draw the QUARTER REST. It's EASY!

First, draw a SLANTED "Z." Then, add a little "c." AND, THERE IT IS: THE QUARTER REST!

Now, YOU draw some QUARTER RESTS in the three measures below!

2. Here are a series of HALF RESTS and WHOLE RESTS. Under each HALF REST, write a "H"; under each WHOLE REST, write a "W." DON'T BE TRICKED, they look almost the same!

MEMORY HELPER:
Half looks like a "hat."

WHOLE looks like a "hole."

   In these measures, ONE NOTE is REPEATED. What note is it?
   (G or F?)

3. These notes are found in THE ICE SKATER. Write the letter names below these notes:
