There are many HARMONIC THIRDS in THE BICYCLE RIDER. "Harmonic" means "notes played at the SAME TIME."

Write the letter names below these HARMONIC THIRDS:

\[
\begin{array}{c}
1 \quad 2 \quad 3 \\
3 \quad 2 \quad 1 \\
\end{array}
\]

2. There is a "trick" in the last measure of THE BICYCLE RIDER. The opposite notes are found in that measure. Write the letter names under the notes. One HARMONIC INTERVAL is NOT a THIRD! It is a FOURTH. Circle the FOURTH with your pencil.

3. Write a note that is a THIRD above the given note. Remember: THIRDS are neighbor LINES or neighbor SPACES!
THE BICYCLE RIDER

(orchestrated accompaniment has a 2 measure count-in)

FUN SHEET

RHYTHM REVIEW ©

1. The TOP NUMBER of the TIME SIGNATURE tells you how many BEATS are in each MEASURE.

   The BOTTOM NUMBER tells you what type of note receives ONE BEAT. (The “4” stands for the 1/4 note or QUARTER NOTE.)

2. DRAW A QUARTER NOTE: ______. DRAW A QUARTER REST: ______.

3. When there are many two-eighths in a composition, count with sequence numbers plus a “+”(“and”). This helps you to play a smooth and steady beat! Remember: a whole beat is “1+” (“one and”)

4. Now, you write the counts under these notes.

   \[ \frac{4}{4} \begin{array}{cccccccc}
   \cdot & \cdot & \cdot & \cdot & \cdot & \cdot & \cdot & \cdot \\
   \end{array} \]

   Counts: ____________________________________________

5. Look at the TIME SIGNATURE below. Write the counts below each note. Then, CIRCLE each beat with your pencil.

   \[ \frac{4}{4} \begin{array}{cccc}
   \cdot & \cdot & \cdot & \cdot \\
   \end{array} \]

   Counts: ____________________________________________

   On C, E, or G Keys, tap the above rhythms with your class.
Write the letter names below the following notes to solve the MYSTERY MESSAGE®!

RI__IN___ _ _I__Y__L__ _ _ROM __ _WN ‘TILL
